

S. S. WORKERS TO ENJOY BANQUET HERE ON NEXT SATURDAY

Get To-gether Banquet and Meeting to Be Held at Third Street Church Next Saturday—County S. S. Leaders to Attend.

That there will be a fine attendance at the booster Sunday school luncheon Saturday at the Third Street M. E. church under the auspices of the County Sunday School Association now seems assured. Cards of acceptance are arriving in every mail. Those who have not sent in their cards should do so at once. No pastor, superintendent or invited booster can afford to miss this meeting. It will mean renewed life and activity to every school represented. And it will put Mason county right up with the leaders in this great movement. Remember there is no charge, no collection and no subscription taken. It's just to be a real meeting of our lives Sunday school workers to plan for bigger things. The following will be about the order of the day:

11:30 a. m. Meet at Third Street M. E. church, opposite court house, for a half hour getting acquainted and conferring on school matters.

12 o'clock. Luncheon will be served by the Ladies' Aid Society of this church.

PLANS ARE MADE FOR BIG REVIVAL

Third Street M. E. Church Making Plans for Big Revival Beginning on Next Sunday.

A "Worker's Conference" in preparation for the revival at the Third Street M. E. church was held Wednesday evening with a good attendance. Everyone present seemed fired with enthusiasm for the campaign just ahead.

The pastor, Rev. Peters, outlined workable plans followed in most successful revivals. Committees were then appointed for various phases of the work. A visitation committee of ladies in each ward will see that the membership and all friends of the church are kept in touch with the services. A music committee to build up a big chorus choir, and an ushers committee to take care of the attendance were also appointed.

The music will be a big feature of the meetings. Mrs. Callis, wife of the evangelist is a proficient violin soloist and will add much to the attractiveness of the musical program. This party attracts great crowds and does effective work for the cause of true religion wherever they go.

In doing business with a bank the customer not only likes polite attention, but also wants the greatest protection he can get. The Bank of Maysville fills the bill in both of these respects. Its officers and employees are accommodating, attentive and polite, while its capital, surplus and assets are the largest of any bank in this section of the country. 21Mar-12

PLANNING LEAGUE MEET AT WINCHESTER.

President Thomas M. Russell, of the Bluegrass Baseball League, is planning a meeting of the league directors to be held at Winchester on next Sunday when final arrangements will be made for the opening of the league in April. Several local baseball magazines will attend this league meeting.

NOTICE TO WATER CONSUMERS.

All semi-annual water rents will be due April 1st, 1922, and payable in advance. A discount of 3% will be allowed for prompt payment. Last disbursement day April 15th, 1922. Your early attention will be appreciated.

Yours respectfully, 22M-1d

TEACHERS TO MEET THIS EVENING.

The regular mid-week prayer service will be held Thursday evening at 7 o'clock at the First Baptist church and following the prayer service the regular weekly teachers' meeting will be held.

NEGRO IS HELD ON MOST SERIOUS OF CHARGES TO JURY

Ralph Wormaly, Charged With Assault With Attempt To Rob, Is Held to Grand Jury Under \$500.00 Bond.

Ralph Wormaly, colored, was before Judge Harry C. Curran in Police Court Thursday afternoon on a charge of assault with intent to rob and was held by the court to the next session of the grand jury. His bond was fixed at \$500.

Wormaly was arrested Wednesday evening following the assault by a colored man upon Jacob Fowler and his cousin, Miss Myrtle Haney near the foot of the steps at the head of Forest avenue. Mr. Fowler and his cousin were returning home when a colored man stepped from behind some freight cars and flourishing a revolver compelled them to walk down the side track in the shadow of some box cars. There he attempted to push the young lady away from her escort but was unsuccessful. He also attempted to frighten Mr. Fowler but this was unsuccessful. They got away from the negro and notified the police.

In Police Court Thursday Mr. Fowler positively identified Wormaly as the assaulter and Miss Haney said she was almost positive that he was the man. Wormaly protests his innocence.

FIRST MORTGAGES.

We offer First Mortgage investments of the highest character. In every loan offered, the soundness of value, title to property and standing of the borrower have been thoroughly investigated and approved by the officers and attorneys of this bank before being accepted as our own investments.

These investments are offered to the public with our highest recommendation. They bear interest at the rate of six per cent. This rate, considering the high type and large margin of security in these loans, is unusually attractive. Investment in these mortgage loans helps finance the community, and the security is right here at home where you can make personal investigation if you want to.

SUE TO RECOVER ON HOGS ALLEGED TO BE SICK.

Messrs. Thomas Malone and C. E. Daugherty filed suit in Circuit Court here Thursday against G. C. Keith. They charge that they purchased from the defendant seventy head of hogs which proved to be afflicted with a disease, fifty of which died. They charge that these sick hogs spread the disease among other hogs the plaintiffs had on their farm and that fifty of the hogs they had previously owned died. They seek damages in the sum of \$1,700, and costs, alleging the hogs were represented to them to be sound and without disease.

When a farmer of this or adjoining counties makes a deposit in the Bank of Maysville, he knows he has left his money in safe hands and with his friends. A person could not make a greater mistake than to keep his money at home. If you have any that you want to save, deposit it in the savings department of the Bank of Maysville, where it will always be safe and draw interest. 21Mar-12

UNDERGOES OPERATION FOR APPENDICITIS.

Mr. James B. Wood, local druggist, was stricken with appendicitis Wednesday evening and was immediately removed to Hayswood Hospital where Thursday morning he underwent a successful operation. Mr. Wood's legion of friends will be glad to know that he is doing nicely.

FUNERAL IS HELD.

The funeral of Mr. Henry Gallenstein, prominent farmer of the Washington neighborhood was held Thursday morning from the late home. His eight sons acted as pallbearers, this being one of the requests of the aged father. Burial was made at the Catholic cemetery at Washington.

BUGGY BADLY DEMOLISHED WHEN STRUCK BY AUTO.

A buggy driven by Noble Carpenter, of the county, was struck and badly demolished by an automobile driven by John Stevenson at the corner of Third and Market streets at about 10 o'clock Wednesday evening. Three wheels of the buggy were broken down. Fortunately no one was injured.

SARDIS IS PROUD OF GIRL TEAM'S RECORD

Sardis High School Girls' Basketball Team Makes Most Envious Record.

The Sardis High School is still rejoicing over the prowess of their girls' basketball team. After eliminating the strong Flemingsburg team at Flemingsburg in the sectional tourney they motored to Lexington March 10th and 11th to battle for the state championship. After vanquishing West Louisville and Glendale in the semi-finals she lost to Ashland in the final.

Though missing the first place in the state by one, still three of her team were picked on the Kentucky all-stars which argues favorably for next year's season.

Sardis school is truly proud of the record this team has made and we only hope that next year the championship may come our way as our team is deserving of the best, and should meet with encouragement at every hand.

NEW STORE TO OPEN ON SATURDAY.

Mr. A. A. Schnier, manager of the new Minces Under Selling Store has been very busy this week getting his big stock ready for the grand opening on next Saturday. A large corps of salesladies and salesmen has been procured and the store will open at the advertised time. Read the large advertisement in this issue of the Public Ledger and visit the big store on opening day.

MISSING BRACKEN COUNTY MAN FOUND AT NEWPORT MILLS

Clifton Riggen Is Working In the Andrews Steel Mills at Newport, Message Received Here Today States.

Chief of Police James Mackey Thursday received a long distance telephone message from an operative of the Newport Police force, informing him that Clifton Riggen, Wellsburg farm, who has been missing since Sunday, March 5th, had been located at the Andrews Steel Mills in that city where he has been working since Monday, March 6th.

Chief Mackey at once communicated with the father of the missing man, who left Thursday afternoon for Newport to learn why his son so mysteriously left his wife and babies. It is thought that young Riggen is not in his right mind for he left with his season's tobacco crop loaded but not delivered and did not draw a penny from his bank account.

For the past three weeks the young man's father and other relatives have been searching the Ohio Valley but were unable to get any trace of the missing man. Young Riggen had just recovered from a severe attack of typhoid fever and this it is feared has affected his mind.

CHAMBLIN MUST DIE ON FRIDAY MORNING

Ohio Supreme Court Refuses to Review Case of Portsmouth Murderer—Second Reprieve Not Likely.

Columbus, Ohio, March 23. — Roy Chamblin of Portsmouth must die in the electric chair at the penitentiary after Thursday midnight unless Governor Harry L. Davis grants a reprieve. The state Supreme Court today overruled Chamblin's application to have his case reviewed.

Chamblin was convicted of the murder of a Portsmouth girl and her male companion on a lonely road several miles outside of that city last fall.

Governor Davis previously had granted to Chamblin a stay of execution in order that he might appeal his case, and it was stated at the executive office today that the Chief Executive is not expected to interfere further with the carrying out of the decree of the courts.

Edward Moffett of Akron, convicted wife murderer, also is under sentence to be electrocuted at the same time. The Supreme Court recently denied him a review also.

WOMAN'S CLUB TO GIVE TEA FRIDAY AFTERNOON.

The Mason County Woman's Club will entertain with an informal tea at the City Mission Home Friday afternoon at 2:30 o'clock. The Washington Study Club will join the Woman's club at this tea.

BUY AT HOME CAMPAIGN IS LAUNCHED HERE

Trade Stimulant Will Be Special Advertising Campaign to Be Conducted Here For Next Six Weeks.

W. C. Oviatt and niece, Miss D. J. Russell, of Chicago, are in Maysville this week in the interests of a "Buy at Home" campaign which they have contracted to put on through the Public Ledger for the benefit of the home merchants.

The campaign, which is to appear twice a week for six weeks, is intended as a trade stimulant and to counteract as far as possible the efforts of the big city stores and mail order houses to capture the trade of the smaller cities.

Thousands of dollars are spent annually by residents of Maysville and vicinity in out-of-town buying, which could have been done more economically at home. It is to help keep for the Maysville business men the trade which is rightfully theirs that this campaign is undertaken.

times because she wouldn't put paint and powder on her face when she went out. "This is too much for me to decide offhand," said Magistrate Hota. "Most husbands try to get their wives to leave off rouge and powder. This is an extraordinary case." An investigation was ordered. Leaving

the courtroom, Margarine was heard to remark that a "girl who doesn't know enough to doll up ought to get her face punched."

biennial convention of the Young Women's Christian Association, to be held in Hot Springs, Arkansas, April 20-27, will be one of the most important national gatherings of the decade. National Board headquarters here in New York are teeming with plans for making it as productive of tangible results as the average convention is of fluent conversation. One of the principal features of the convention will be a discussion of the methods of effecting a world peace based on the findings of the conference of the World's Committee, Y. W. C. A. held in Champré, Switzerland, in 1920. The Champré resolutions will be introduced by Miss Charlotte Niven of England, executive secretary of the World's Committee. A. Maude Royden, England's noted woman preacher and leader of women, Countess Helene Goblet d'Alviella, of Belgium, Anne Lamb, who has done such great work in India, and Judge Florence E. Allen of Cleveland, the first woman judge of a Court of Common Pleas in this country, will be among the principal speakers. Miss Mabel Cratty, General Secretary, in the opening address, "Facing the Present," will outline the place of the Y. W. C. A. in modern community life. There are three groups within the convention; the National Student Assembly, the Industrial Assembly and the World Service council, which will hold sectional meetings to discuss specific lines of work.

Women will scorn the one-time envied "Mrs." and cling to their maiden names if debates mean anything—which of course they don't. Heywood Brown won the debate with Arthur Somers Roche, novelist, the other night. Mr. Brown, whose wife is "Miss Ruth Hale," contending that such was the proper way, and Mr. Roche insisting that "Mrs. Arthur Somers Roche" has the only right idea. The debate was staged by the Lucy Stone League, which is organized to do away with the sign of woman's bondage.

New York is seen at the art center of the world in the plan of the Academy of Design and New York University. An affiliation between these two institutions has just been announced and it is expected that through the merging, instruction and opportunity for work in the fine arts may be given which will push our city into first place in the whole world for the development of artists learning and skill. "We hope New York may become to the artistic world what Florence was in the fourteenth and fifteenth centuries," Gen. Charles H. Sherrill of New York University, said in discussing the plan.

—NY—
On one of the islands in New York harbor, there is a daily ceremony which is just as impressive as any big one I ever experienced. In an institution of some sort there, lives an old man who is known to every skipped

who passes. He drags through his day somehow until 5 o'clock arrives. Then he picks his laborious way over a stony point to the edge of the water. There he takes his stand and tenderly unfolds a tiny American flag—the kind that little children have on holidays. As boats steam out of the harbor, the Fall River, Maine, New Haven, he soberly waves his banner back and forth, and every ship thunders its salute. He stands at attention until the last one has passed and then picks his way back across the stones, smiling happily.

More than 10,000,000 books were issued for home use in the last year in the circulation department of the New York Public Library, an increase of half a million over last year. In November and December 10,000 persons called at the main library at Forty-second street for reference purpose daily.

LITTLE THINGS MAY MAKE BACKWARD CHILDREN

U. S. Public Health Service Says
Backwardness in Children Is
Not Always Their Fault.

Backward Children are not always, perhaps not often, backward because of either mental deficiency or slothfulness, says the U. S. Public Health Service. Many of them are backward solely because of such ordinary and easily remediable defects as adenoids, near-sightedness, or bad teeth.

A case in point was recently reported by the official representative of the Public Health Service in the eighth sanitary district of Vermont, in which the service is cooperating in a rural

health work project.

Medical inspection of one of the graded schools in October, 1919, showed that it had been thought necessary to instruct in a special room sixteen pupils who had seemed to be unable to keep up with their respective classes. Physical examination showed that each of the sixteen had some serious hampering physical defect (chiefly enlarged tonsils, adenoids or defective hearing or eye-sight) which, rather than any mental handicap, was the probable cause of their inability.

Through the cooperation of the school directors, the facts were brought to the attention of the parents or guardians of the children and all were set right before the end of the year.

On re-examination of the pupils the next December (1920) it appeared that all of the sixteen previously backward children had caught up with their proper grades and were keeping up in them with their classmates. A year later, in December, 1921, some of these sixteen children were among the mental and physical leaders in their grades.

J. Gordon Edwards, who is in Egypt making scenes for "The Shepherds King", a big Fox production, has just returned the last part of the script, written by Virginia Tracy. Mr. Edwards will finish his work along the Nile in two weeks and return to Rome where the interiors will be made at the Fox studio there.

COULD NOT TURN IN BED

Operation Avoided by Taking Lydia E. Pinkham's Vegetable Compound

Dayton, Ohio.—"I had such pains that I had to be turned in bed every time I wished to move. They said an operation was necessary. My mother would keep saying: 'Why don't you take Pinkham's?' and I'd say, 'Oh, mamma, it won't help me, I've tried too much.' One day she said, 'Let me get you one bottle of each kind. You won't be out very much if it don't help you.' I don't know if you will believe me or not, but I only took two bottles of Lydia E. Pinkham's Vegetable Compound and one of Lydia E. Pinkham's Blood Medicine when I began to get relief and I am regular ever since without a pain or a headache. When I lie down I can get up without help and without pain. I can't begin to tell you how I feel and look. I have begun to gain in weight and look more like I ought to. I think every day of ways I have been helped. Any one who does not believe me can write to me and I will tell them what shape I was in. I am ready to do anything I can to help your medicine."—Mrs. HENRIETTA MILLER, 137 Sprague St., Dayton, Ohio.

If you have any doubt write to Mrs. Miller and get her story direct.

POULTRY EXPERTS IN MAYSVILLE.

Mrs. L. K. Warne, Miss Florence Haynes, Miss Thompson and Miss Spier are in Maysville for some time, making a survey of the poultry raised in this vicinity. These ladies, made a special study of poultry culture and are prepared to help poultry raisers in and around Maysville on such problems as culling, feeding of moulting hens and other such poultry problems. While in Maysville they will call on all poultry raisers to take up these important problems. The enterprise of J. C. Everett & Co. has made it possible for the poultry keepers to get the benefit of the experience of these experts.

MRS. ANNA WILLIAMS DIES FOLLOWING APOPLEXY STROKE. Mrs. Anna Williams, widow of the late Alonzo Williams, died Thursday morning at 2:15 o'clock at the home of her daughter, Mrs. William Farley. She suffered a stroke of apoplexy Wednesday afternoon at about 4:30 o'clock and never regained consciousness. She is survived by four children, Mrs. William Farley, Mrs. Albert Harvey and Messrs. Lee and William Williams, as well as four grandchildren. The funeral will be held Saturday afternoon at 2:30 o'clock from the Little Brick church and burial will be made in the Maysville cemetery.

CHILD BURIED CENTURY AGO IS PERFECTLY PRESERVED.

Ashland, Ky., March 23. — While men were digging holes for telegraph poles they exhumed a metallic coffin, in which was the body of a boy, about five years old. The body was in a perfect state of preservation, although the style of the coffin showed it must have been buried about eighty years ago. This ground, which is almost in the heart of the city, was the old homestead of Thomas and Nancy Page.
